Approval Certificate

Approval for Engine oil "Q8 Formula Excel Diesel SAE 5W-40"

Original

MB-BeVo-Sheet 229.1, SAE-Grade: 5W-40

Dear Sir or Madam,

We have examined the changes made to the previously approved operating fluid shown above. The operating fluid complies with the requirements of the Mercedes-Benz Specifications for Operating Fluids, sheet 229.1 and is therefore re-approved for use in Mercedes-Benz vehicles and assemblies. The application range is shown and explained on the sheet 223.2. Other requirements, e.g. SAE grades, capacities, change intervals etc. must also be observed.

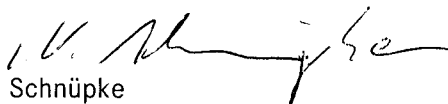

A 2 litre sample of each formulation (including all SAE grade variants) must be retained at all times, and can be called upon by DaimlerChrysler AG at any given moment. We will advise the address.

The approval dated 10.04.1997 becomes invalid.

Sincerely
DaimlerChrysler AG

Kreitmann
